 (573) 884-4939 or (573) 882-2748

The MSP has an assortment of scholarship loaner instruments. Instruments available are limited, of various sizes, and will be awarded based on 1) financial need, 2) instrument and size requirements and 3) the order or requests received. Instruments are awarded for the school year and must be returned after the May Concert, unless other arrangements are made with the Director. Please complete and present this application form to the Director of the MSP. To be eligible for a loaner instrument, you need not receive other financial aid. Instruments may be picked up at the School of Music by arrangement with MSP. A security deposit of \$250 must be received at the time of the loan (either cash, check or credit card number). When the instrument is returned in the same condition as when loaned, the deposit will be promptly returned. **Students and parents are responsible for the proper care of the instrument. The borrower must pay damage or neglect costs.** Please leave this form with your application for the MSP. You will be notified about scholarship loaner status before the start of String Project activities.
