A hearty Welcome Back to all second year MSP students! I hope that your summer was fun and productive, and that you are all as eager to get started this year as I am. I know that those of you who participated in the MSP Summer Session, studied privately or joined the Columbia Public School program had a musical and eventful summer.

A place has automatically been reserved in the second year class for all returning second year students. If you will not be able to join us this year, please contact me as soon as possible, so that students on the waiting list may join us. As we prepare for another year, this schedule of events for MSP will come in handy for your planning. Fall semester's activities begin with group classes on Monday, **September 21st at 5:10-6:00 in the Fine Arts Building**, and end with a public concert on **December 13th**. Please note your new orchestra time and location, 5:10-6:00 in Loeb Hall, rm 204. Group lessons will meet either Mondays OR Wednesdays, from **5:10-6:00** in the Fine Arts Building. Exceptions follow the MU Fall Semester Calendar. In the event that the Columbia Public Schools cancel classes because of weather, MSP will also be cancelled.

Please register by SEPTEMBER 11th. You may fill out the form below and mail to the above address, call 884-4939 and leave a message with your name and lesson time preference, or visit our website at music.missouri.edu/communityprograms, download a form and email to mostring@missouri.edu. Questions? Please contact me or my new assistant, Amanda Fenton, at the above number or via email.
