

Ensemble Course Registration Information

- Your name will be submitted to the music office so you are authorized to add your assigned ensemble without a permission number.
- You will be able to register for the class in myZou as you would for your other courses, however, there may be a delay of up to 4 business days before you will be able to register. Please be assured that our music staff is working diligently to complete the ensemble course authorization process for all our students. If after 4 business days, you are still unable to register, please complete the Registration Assistance form found at music.missouri.edu/resources.
- All rehearsals begin as scheduled on January 21. Plan to attend the rehearsal of your assigned ensemble even if you haven't been able to add the course yet.
