

University of Missouri Bands Virtual Outreach Initiative

Given that school ensembles and music students across Missouri are experiencing various types of in-person and online learning this coming academic year, the band directors at the University of Missouri want to make ourselves available to help your students, program, or school district in these difficult and unprecedented circumstances.

At your request (and schedules permitting), we would enjoy the opportunity to present a virtual clinic on any of the following topics:

- Basic Conducting Skills
- Majoring in Music at College
- Score Study Techniques
- College Music Scholarship Auditions and Preparation
- Performance Opportunities for College Non-Music Majors
- Marching Band Drill Design and *Pyware*
- Band Leadership Structures
- Beginning Band Pedagogy
- Selecting Music for Your Ensembles
- Q&A Session
- Other Topics (As Requested)

If you are interested in scheduling a virtual session, please reach out to any of our band faculty at their respective e-mail addresses:

Dr. Brian A. Silvey

Director of Bands
Professor of Music Education
silveyba@missouri.edu

Dr. Amy M. Knopps

Associate Director of Bands
Director of Athletic Bands
knoppsa@missouri.edu

Dr. Christian M. Noon

Assistant Director of Bands
Assistant Teaching Professor -
Music Education
cnoon@missouri.edu

We wish you and your students a safe and productive year!

MIZ!
