

May 12, 2022

Dear Trombone Participants,

Thanks for signing up for Mizzou Trombone Camp this Summer! I have attached a daily schedule for your information. If you have not paid for the camp yet, please do so before May 23rd.

Please come to the Sinquefield Music center on the corner of Hitt St and University Avenue at 11:00 on Tuesday, June 7th to register, meet your chaparones, and have some lunch. Then we will walk over to your dorm and get you your key, your dining card, and have a brief orientation from the residence hall staff. Then we are back to Sinquefield to begin our day.

Please prepare a solo or etude to play during one of the group master classes on Wednesday or Thursday.

In addition to the masterclasses and other activities. We have decided to offer a limited number of 30 minute lessons to those who are interested, either a trombone lesson or a jazz improv lesson, on Wednesday and Thursday. This is first come, first serve. Please email me before camp if you are interested in a lesson.

Dress for this event is camp casual. All parents are encouraged to come to the final trombone choir concert at 2 pm on Friday before everyone departs.

Thanks to all of you for signing up! It will hopefully be a challenging and fulfilling week for all of you!

Dr. Tim Howe, Associate Professor of Trombone, University of Missouri
Dr. Sam Griffith, Director of Jazz Studies, University of Missouri
