Mizzou New Music Initiative

The Mizzou New Music Initiative brings together an array of programs intended to position the University of Missouri School of Music as a leading center in the areas of composition and new music. The Initiative is the direct result of the generous support of Dr. Jeanne and Mr. Rex Sinquefield, and the Sinquefield Charitable Foundation. The Sinquefields' vision is to create an incubator for the composition and performance of new music, and to position Missouri as a major center for the music of tomorrow.
